

Professional Diploma in Aromatherapy

The first internationally recognised diploma certification in Aromatherapy accredited by Lincoln University College.

IFA Certified Instructors

The course instructors are clinical aromatherapists certified by IFA, International Federation of Aromatherapists, the professional body of choice for aromatherapists worldwide.

A Path to Professional Aromatherapist

Eden Holistic Professional Aromatherapy (EHPA) Academy in collaboration with Professional Academy of Lincoln University College offers professional diploma certification in aromatherapy.

In this diploma programme, you will acquire the in-depth knowledge on holistic aromatherapy, the science behind and practical skills to become a qualified professional aromatherapist.

Once you have completed the programme and is certified, you will be recognised as:

- a diploma holder in Professional Aromatherapy accredited by Professional Academy of Lincoln University College.
- an associate member of International Federation of Aromatherapy (IFA)
- a member of Canadian Federation of Aromatherapist (CFA)
